► **Cub Scout Leader Specific Training (CLS):** Each Cub Scout leader completes the specific course for his/her own position in the program. These courses are: Cubmaster and Assistants, Pack Committee Chairman and Members, Tiger Cub Den Leaders and Assistants, Cub Scout Den Leaders and Assistants, and Webelos Den Leaders and Assistants. These training courses include instructions on pack organization, advancement, den and pack meeting program planning and your role within the pack. Separate classes will be provided for each level. Training sessions are approximately two and one-half to three hours long. This level of training is required for all Cub Scout Leader Awards. **Cost for one session is \$10 early registration and \$15 at the door. Early registration closes one week before training session date. Leaders holding multiple sessions will have to attend a session for each position. Second session half price.**

► **New Leader Essentials Training (NLE):** New Leader Essentials is the initial training for adult leaders. In this 90 minute training, leaders learn about the objectives of the Scouting program and the methods that are used to achieve these objectives. They also gain a basic understanding of youth development, as well as how Scouting is organized and financed, policies related to the program, and resources to help leaders succeed. The training is for all new registered adult leaders of Tiger Cubs, Cub Scouts, Webelos Scouts, Boy Scouts, Varsity Scouts and Venturers. **A Scout leader needs to attend New Leader Essentials only once. Cost for one session is \$10 early registration and \$15 at the door. Early registration closes one week before training session date.**
